

How to Turn On/Off the Instruction Feature (Mobile)

A Guide for Students and Faculty

Who is this for? This guide is for students and faculty to learn how to turn on/off the instruction feature on a mobile device.

Step 1: Identify the section you want to turn the instruction feature on for and click the gear icon on the bottom. This will open the “Section Settings” window on the left side of the browser. (See images 1 and 2)
