

How to Embed Media (Youtube, Vimeo and Google Docs)

A Guide for Students and Faculty

Who is this for? This guide is for students and faculty who want to embed media content in their e-Portfolio on a mobile device.

Step 1: Copy the URL of the media content from the site you want to embed from. For this example, I will upload a video from YouTube. (See images 1 and 2)

Step 2: In your ePortfolio, click on the “Add content” button or (+) sign. (See image 3)

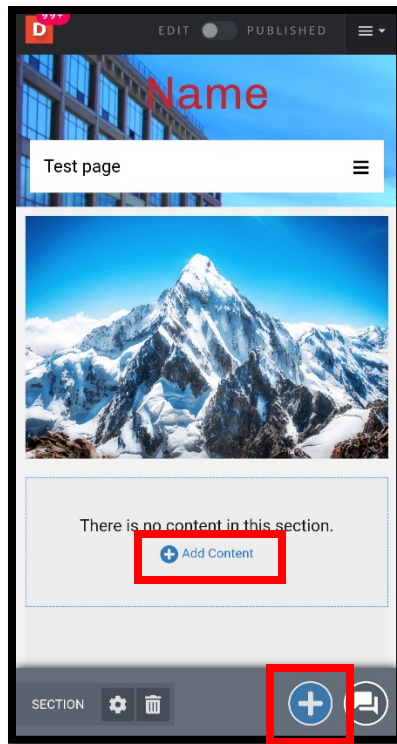

Image 3

Step 3: In the library, click “Embed” and select the module of the site you want to embed media content from. (See Images 4 and 5)
