

Updating the Google Chrome Browser to the Current Version

A Guide for Students and Faculty

Who is this for? This guide is for students and faculty that need to update their Google Chrome browser to the current version

Step 1: Open the google Chrome Browser. In the upper right corner click the collapsed menu icon. (See image 1)

Note: Once google Chrome has updated, you can close the settings window and you will be back at the previous window. Your browser window will prompt you to reload the current page. Once you do, the browser will now be updated.

That's it. If you have any questions, contact the ePortfolio team or visit the MB-57 office.
